Grading Policies

Grading Scale: A: 90% or above; B: 80 - 89%; C: 70-79%; D: 60- 69%

Course Grade Total of 100 points.

The course grade is comprised of Laboratory (40%), and Exams (60%).

Lab Grade Total 40 pts.

- Lab Experiments are 2 pts each.
- Lab Assignments are 4 pts each. There will be 4 lab assignments during the class. It is the students' responsibility to know when they are due.
- Late/missed policy:
 - Late for lab penalty: 1 pts.
 - Late assignments/reports penalty: 1 pts. **No late assignments are accepted if they are overdue by more than one week!**
 - One lab will be dropped.
- Students must adhere to the [lab policies](#) or else they will be required to leave the physics lab room.
- It is the responsibility of the students to check with [the schedule of classes](#) and to know which labs require protective goggles.

Exams Total 60 pts.

- There will be six exams (12 pts each).
- The lowest exam grade is dropped, and only 5 exams count toward the final course grade.
- The instructor will provide a [formula sheet](#). Students may print it out at home in advance, and bring it to class. **No other formula sheets will be allowed.**
- During an exam, students may bring only a pen/pencil and an approved calculator.
- Absolutely no electronic devices except approved calculators with blank memory, are allowed during an exam. Check with your instructor for a list of approved calculators.
- No late or make-up exams will be given. For students who know in advance that they will not be able to take an exam at the scheduled time, an arrangement may be made for that exam to be taken at **EARLIER** time.
