If you completed the Bookstore Charge Authorization e-Form on your myNOVA To Do List at least 24 hours prior to placing your order and if your financial aid is enough to cover your charges, then your order for books and supplies will be shipped to the address indicated during the checkout process.

Please check with a campus bookstore to confirm which laptop models are available for purchase with financial aid. Laptops may be purchased in-person at the bookstore or online. Laptops will not be shipped and must be picked up in-person.

If a laptop is purchased online, it must be picked up at the Alexandria campus bookstore. If that is not a convenient location for you, please consider calling another [campus bookstore](#) to verify that the laptop you wish to purchase is in stock and then purchase it in-person at that campus bookstore.

If you wish to purchase a laptop in-person with your financial aid:

1. Verify that your [Pending Financial Aid Based on Your Actual Enrollment](#) is enough to cover your [tuition, fees](#), and bookstore purchases.
2. Complete the [Bookstore Charge Authorization e-Form on your myNOVA To Do List](#) for each academic year at least 24 hours before attempting to make a bookstore purchase with financial aid. This form will only appear on your To Do List if you are potentially eligible to use financial aid at the bookstore.
3. Present your current NOVA ID card at the bookstore.
4. Complete the Laptop Order Form and the Laptop Agreement Form at the bookstore.
5. Purchases must be completed before the end of the bookstore purchase period indicated at <https://www.nvcc.edu/financialaid/policies/charge-books.html>.
