

START GATHERING INTELLIGENCE *here.*

The Online Bachelor's Completion Program in Homeland Security

The call to protect our country has never been louder. The U.S. Bureau of Labor Statistics predicts the number of people employed in Homeland Security will increase 41% by 2029. Our online bachelor's degree completion program will prepare you to answer that call by focusing on three critical areas:

- **Homeland Security and Emergency Management Best Practices**
- **Domestic and International Threats**
- **Anti-terrorism Strategies**

Expand your professional network while mastering the industry skills you need to pursue new job opportunities, position yourself for a promotion, or explore a second career.

OVER \$95K/YR.
