

Finding Students Using “Campus”

All advisors have access to all students in “Campus.”

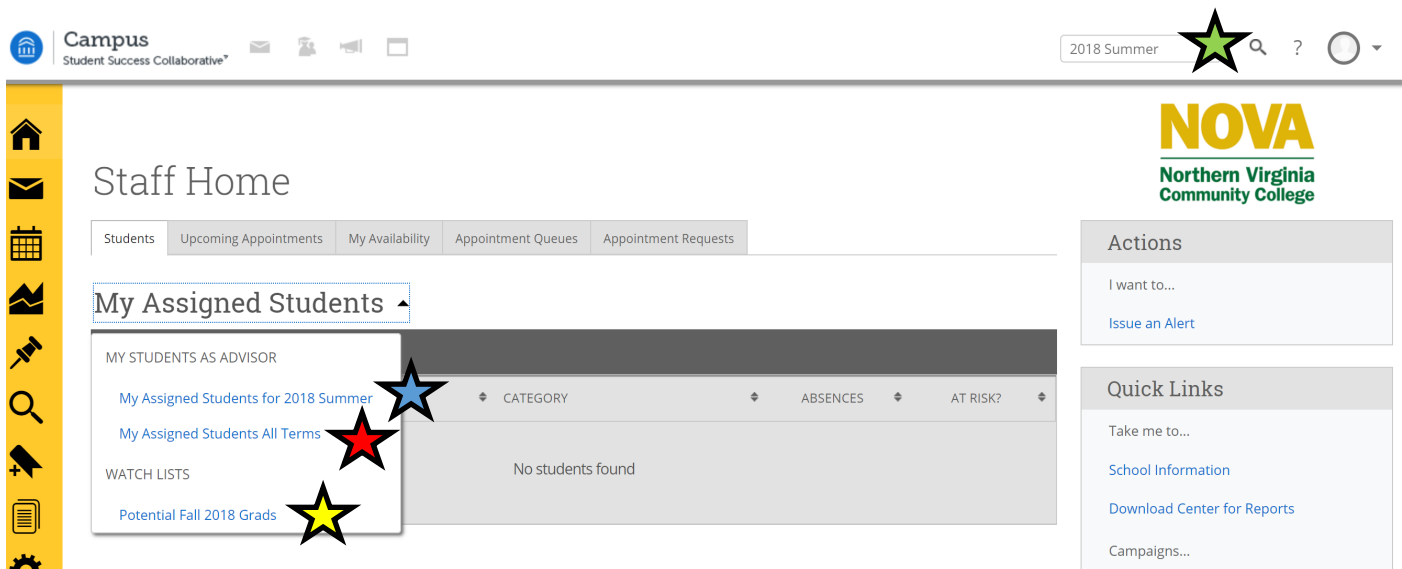

There are multiple ways to find students in “Campus.”

Students to whom you are assigned as an advisor in SIS:

-  • The default view is “My assigned students for <current term>.” This is the list of students to whom you are assigned as an advisor in SIS who are enrolled during the current term.
-  • From the drop down menu, you can also choose “My assigned students for all terms,” which lists all students to whom you are assigned as an advisor.

All other students:

-  • You can search for any student at NOVA.
-  • You can save lists of students to access them at a later time.

The screenshot shows the 'Campus Student Success Collaborative' interface. The top navigation bar includes the 'Campus' logo, a search bar with '2018 Summer' entered, and a green star icon. The main content area is titled 'Staff Home' and features a navigation menu with options: 'Students', 'Upcoming Appointments', 'My Availability', 'Appointment Queues', and 'Appointment Requests'. The 'Students' menu is expanded, showing a dropdown titled 'My Assigned Students'. This dropdown is divided into two sections: 'MY STUDENTS AS ADVISOR' and 'WATCH LISTS'. Under 'MY STUDENTS AS ADVISOR', there are three options: 'My Assigned Students for 2018 Summer' (highlighted with a blue star), 'My Assigned Students All Terms' (highlighted with a red star), and 'Potential Fall 2018 Grads' (highlighted with a yellow star). The 'WATCH LISTS' section currently shows 'No students found'. On the right side of the interface, there are two panels: 'Actions' with options 'I want to...' and 'Issue an Alert', and 'Quick Links' with options 'Take me to...', 'School Information', 'Download Center for Reports', and 'Campaigns...'. The NOVA Northern Virginia Community College logo is also visible in the top right corner.
