

# Introduction to EAB's "Campus"

## What is "Campus"?

EAB's "Campus" is a tool to help advisors provide consistent advising to NOVA students.

"Campus" uses data from three sources:

- SIS: "Campus" imports data from SIS.
- "Navigate": "Campus" will import data from the student academic planning tool "Navigate" <planned to "go live" in Fall 2018>
- You, the advisor: "Campus" captures your notes on advising so others can provide consistent advising to students

## What can advisors do with "Campus"?

The screenshot shows the EAB Campus interface. At the top, there is a header with the "Campus Student Success Collaborative" logo, a search bar, and a dropdown menu set to "2018 Summer". The main content area is divided into several sections. On the left, a vertical sidebar contains icons for home, messages, calendar, appointment campaigns, reminders, search, lists, reports, and settings. Callouts from these icons point to the following features:

- Keep track of advisees
- Keep track of messages
- Schedule appointments
- Manage appointment campaigns
- Keep track of reminders
- Search for advisees
- Make lists and save searches
- View reports

The main content area includes a "Reporting" section with tabs for "Recent Appointments" and "Recent Reports You Created". On the right, there are sections for "NOVA Northern Virginia Community College", "Actions" (with "Issue an Alert"), "Quick Links" (with "School Information", "Download Center for Reports", "Appointment Campaigns"), and "Upcoming Appointments".
