Encouraging, promoting, and supporting Veterans to be successful in their educational and career endeavors.

The VetSuccess on Campus program is a collaborative effort between Northern Virginia Community College (NVCC) and the Department of Veterans Affairs (VA) with the purpose of providing a supportive on-campus environment for student Veterans. Services provided will enable student Veterans to make a smooth transition to college life and successfully complete their educational programs.

The VA has placed an experienced Vocational Rehabilitation Counselor on the NVCC - Annandale and Alexandria campuses. This counselor will serve as a “VA One-Stop Liaison” for Veterans, active duty military and their eligible family members who attend or plan to attend NVCC.
