Privacy

On March 1st Google launched its new privacy policy, adding YouTube and Web searches to account holders search history. This information, gathered among Google’s 60 services will inform ads you might see in Gmail and results from web searches. In an increasingly interconnected online world, do you know how to manage your digital footprint? Read up on online privacy, best practices, and explore the rise and development of the Google empire.

Everything Needs an Introduction...

Combining authority with wit, accessibility and style, Very Short Introductions offer an introduction to some of life's most interesting topics. They are written by experts for the newcomer, demonstrating the finest contemporary thinking about the central problems and issues in over 100 key subjects: from philosophy to Freud, quantum theory to Islam, witchcraft to Jesus, modern art to ancient warfare.

To see a list of this growing collection, visit the Library Catalog and select “Alexandria Campus” in the Select College option and search on “Very Short Introduction” to see a list of the over 240 titles in this series.
