

Scott McIntosh Wedding Soloist -

My fiancée and I are planning a wedding for late October and are looking around for music options (we found your information on the NOVA Community College website). We are wondering if you might know of any student musicians interested in playing a short wedding gig?

Specifically, we are looking to hire a soloist (cellist, violinist, etc...). Our wedding is the evening of October 22 at Gadsby's Tavern in Old Town Alexandria and we would require the soloist for about an hour.

Thank you,

Scott McIntosh
