

Does Financial Aid Cover My Balance?

Review Your Anticipated Financial Aid Based on your Current Enrollment

If you are enrolled in less than 12 [eligible credits](#), the financial aid you see offered on your myNOVA account may be reduced after the term census date (the last day to drop with a tuition refund for the longest session of the fall, spring, or summer term as shown on the [Academic Calendar](#)). Important Notes About Pending Financial Aid:

- Courses that do not apply to your degree or certificate are not eligible for financial aid and are not included in the Pending Financial Aid calculation.
- If you accepted a federal Direct Subsidized or Unsubsidized Loan, you must enroll in at least six eligible credits and complete the Master Promissory Note and Entrance Counseling at <https://studentaid.gov> before the loan is counted as Pending Financial Aid. A tutorial for accepting loans is provided on the [financial aid blog](#).

Does Financial Aid Cover My Balance?

Step 4: View the total amount due under Account Inquiry > Summary.

summary	activity	charges due	payments	pending aid
---------	----------	-------------	----------	-------------

Account Summary

You owe **1,298.50**. For the breakdown, access [Charges Due](#)

- Due Now 1,298.50
- Future Due 0.00

What I Owe						
Campus	Term	Outstanding Charges & Deposits	Pending Payments	Pending Financial Aid	Total Due	TMS Payment Plan
Northern VA Comm College	2020 Fall	1,298.50			1,298.50	Apply TMS Payment Plan / Turn Off Popup Blocker
Total		1,298.50			1,298.50	Apply TMS Payment Plan / Turn Off Popup Blocker

Step 5: Subtract the **Total Due** from your **Pending Financial Aid Based on Actual Enrollment**. Pay any balance by the **payment deadline**. If your Pending Financial Aid Based on Actual Enrollment is more than your Total Due then you do not need to make a payment.

Important Notes About Financial Aid Disbursements:

- Pending Financial Aid will not be credited to your account and actually reduce the “Total Due” shown on your account until it is disbursed. This typically occurs approximately 2-3 weeks after the term census if you have attended at least 6 [eligible credits](#) past the [session census date](#) and assuming you do not have any [holds](#) or incomplete [To Do List](#) items on your myNOVA account that prevent disbursement.
- If you have not attended at least 6 [eligible credits](#) past the [session census date](#), your financial aid disbursement will be held until you do. Students enrolled in only 1-5 eligible credits will have any aid that they are eligible for disbursed after the census date for those courses has passed, and no earlier than the term census.
- Loans accepted for the fall semester will not disburse until a few business days after October 1st. At the time of loan disbursement, students must be currently attending at least 6 [eligible credits](#) past the [session census date](#) or they must have already successfully completed at least 6 eligible credits during the term.

Payment Options
