

Snow's Garden Center is seeking a full time Garden Center Assistant Manager to join our rapidly growing team.

Join our energetic team and work alongside horticulturists, landscape designers, and other industry professionals to serve the needs of gardeners in Albemarle County, VA and neighboring areas. Snow's Garden Center is a nationally-recognized nursery that offers competitive salaries, professional development, and a fun, family-based atmosphere.

Our professional business is located at the foot of Carter's Mountain in the city of Charlottesville, VA. We focus on providing garden solutions that are appropriate for every outdoor project. We are committed to helping our residential and commercial customers find what they need to beautify their landscapes and run their small businesses. We embody "Snow Knows" - we have the horticultural knowledge and are always prepared to educate.

The **Assistant Manager** should be able to perform the following:

- Co-lead a team of 15-20 retail associates throughout their daily duties and routines.
- Provide leadership, guidance, safety training, tools, and equipment to empower those engaging directly with customers.
- Maintain our products, back stock, and store-front for daily show-ready appearance.
- Using your design skills, seasonal display beds, signage, and other resources, create a customer-focused environment where people consistently enjoy an excellent gardening experience on-site.

The selected candidate will have the opportunity to work with a diverse range of project types and gain industry experience in a multi-disciplinary, collaborative atmosphere. This is a full-time position of 40 hours per week. Compensation is **\$45,000-\$50,000**. We are looking for someone who has excitement for working with people and communities of all cultures and is passionate for creating better environments through the art of landscape. We look forward to hearing from you!
