Ranching for Profit Workshops

These workshops are designed for farmers looking to transform their farm operation into a profitable business with less work and stress.

October 10th 9:00—4:00

Three Secrets for Increasing Profits

- *Do you own a business or just a pile of assets and a bunch of jobs?*
- *Setting a profit target and working backwards to achieve it!*
- *Using the Ranching for Profit benchmarks to find profit drivers and dead wood*
- *Restructuring your operation for profitability*

October 11th 9:00—4:00

Cattlemen vs. Grassmen: Economic Leverage of Grazing

- *The value of cattle vs. the value of grass*
- *Stocking rate vs. Carrying Capacity*
- *Soil health is the foundation of ag business health*
- *Applying the 3 Secrets for Increasing Profits into the 5 Cell Grazing Principles*

2023 VFGC Ranching for Profit Workshop

Dallas Mount will be the professional instructor at this 2-day advanced workshop. Dallas has sat at hundreds of kitchen tables and delivered workshops to thousands of ranchers across the US, Canada, and Australia to help them improve the profitability and overall health of their business. He has hands-on experience working in cow-calf, yearling, feedlot and hay enterprises. Dallas began teaching the Ranching for Profit School in 2012 and established himself as an elite instructor. Dallas, his wife and two teenage children own and manage a cell-grazing operation near Wheatland, WY. In 2019 he purchased Ranch Management Consultants from Dave and Kathy Pratt. He currently serves as CEO now leading the ranching for profit school and the Executive Link Program creating profitable businesses, with healthy land and happy families.

COME PREPARED...

To learn, be challenged and ready to interact with the professional instructor and a group of peers from across Virginia.
